

**Membership Grades
and Application Process
V5-0125**

1. Introduction

The Institute has seven grades of membership which are open to those individuals engaged in the professions relating to the removal and/or management of asbestos. The main professions that the Institute recognises and supports are those of asbestos removal manager, asbestos project manager, asbestos removal supervisor, asbestos analyst, asbestos surveyor and asbestos consultants.

The stringent entrance requirements and conditions of membership apply in order to satisfy the Institute's Council of Management, that standards are meticulously maintained. Adherence to a set of Rules of Membership forms part of the membership criteria

2. Membership Grades

All applications for membership (with the exception of affiliate) shall be from individuals engaged in a profession relating to the removal and / or management of asbestos who comply with the rules of membership.

Once submitted, applications shall be assessed, and the applicant informed of the grade of membership for which they are eligible. The Council may, having received the application and within their powers, as set down in the Rules, recommend that a variation to the grade of application be made.

Honorary Fellow

Shall be invited to transfer to the grade of Honorary Fellow by the Council of Management in accordance with the AMI Rules of Membership
